

4/24/25 – Gospel John 3:16

Bottom Line:

Kids will understand that Jesus paid for all of our sins. Not just some. They will learn that they can be sure that are saved (assurance)

Ryan: Hey Kate what are you doing?

Kate: I'm trying to figure the coordinates for the Planet Cam's satellite. Can you help me?

Ryan: Why do you need the coordinates for the Planet Cam's satellite?

Kate: It's not that I need to know, it's just that I want to know.

Ryan: Oh pardon me, why do you want to know the coordinates for the Planet Cam's satellite?

Kate: Because...

Ryan: Because why?

Kate: Well let me ask you a question Ryan, how come you don't care about the coordinates?

Ryan: Coordinates-smoordinates-I know it's up in space somewhere

Kate: Who told you that the Planet Cam's satellite is up in space?

Ryan: Well.....it's in the Agent For Truth Manual

Kate: And who wrote the manual?

Ryan: Professor Seaquest

Kate: MMM.....Ryan, have you ever seen Professor Seaquest?

Ryan: Yeah, I've seen him

Kate: When?

Ryan: A couple of months ago

Kate: And where was he?

Ryan: I don't know. He was on a mission on the other side of the world. We talked through the Planet Cam's satellite.

Kate: Oh, so what you're saying is that you've never seen him in person

Ryan: Wait a second! Are you thinking what I think you're thinking?

Kate: I don't know, (turn away from Ryan) what am I thinking?

Ryan: You're doubting that Professor Seaquest and the Planet Cam's Satellite are for real aren't you?

**PP# Receiving incoming email**

Ryan: We're not done here!!

Ryan: There seems to be a lot of doubt going around lately!!

Kate: Ryan!!

Ryan: EBOT activate the Planet Cam to view what's going on with Nancy

## **PLANET CAM:**

### **SCENE #1.**

*[washing dishes]*

*Nancy: I know this doesn't pay for the sin of lying to my mom, but God, please come into my heart again.*

### **SCENE #2.**

*[inside MBA giving all her allowance to tithe box]*

*Nancy: Lord, please forgive me and let me be a Christian again. Here's all of my allowance.*

### **SCENE #3.**

*[inside MBA saying the sinner's prayer]*

*(mix Nancy's voice of repeating the prayer with the recording of this weekend's alter call prayer)*

### **SCENE #4.**

*[Out on the street]*

*[Nancy is picking up the trash on the street]*

*Jennifer: Nancy, what are you doing?*

*Nancy: This place is dirty! Doesn't anybody care?*

*Tyler: But, Nancy, the stuff you're picking up is dirty! (sarcastic & dramatic) You could get sick and die from the germs that you're touching on that trash!*

*Jennifer: Well, I don't know about that, Tyler, but still, Nancy, you've been doing a lot of stuff lately.*

*Nancy: What do you mean? Like what?*

*Jennifer: Like washing the dishes, mowing your lawn, picking up trash off the street, cleaning my bedroom!*

*Nancy: So what's wrong with that Jennifer?*

*Jennifer: Nothing, I mean, those are good things, but why all of a sudden did you become a workaholic?*

*Tyler: Yeah, what are you thinking? That you lost your salvation or something? (laughs)*

*Nancy: (upset and afraid) DON'T SAY THAT!*

*Tyler: Chill out, I was only kidding. Gosh!*

*Nancy: (panic) What if I'm not going to heaven! I know I should've never lied to my mom!*

*Jennifer: Nancy, what are you talking about?*

*Tyler: Yeah, what's up with you? You're talking like you don't even know God!*

*Nancy: (defensive but sad) I know God! I just don't know if I am good enough to get to heaven. I keep messing up.*

*Tyler: I don't know who's been telling you this kind of stuff to make you think this way, but nobody can ever be good enough to get into heaven on their own.*

*Nancy: (doubtful) Well, I keep on asking God to come back into my heart every week, so I think I'm still going to heaven.*

*Jennifer: Nancy, what you're saying doesn't match up with what God says in the Bible.*

*Tyler: Yeah, I'm going to e-mail Agents For Truth and ask them to give me a verse or two from the Bible that I can give to you about this.*

*Nancy: So you mean, I don't have to pray the prayer for Jesus to come inside my heart again this weekend at church?*

*Tyler: No, once You have asked Jesus to come inside, He doesn't leave you.*

Nancy: *That's good to know.*

Jennifer: *And as far as all the good things that you've been doing – they're great! But you should be doing them because you love Jesus and want to please Him, not because you think you need to earn your way to heaven!*

Tyler: *Yeah, cause like I said, no one could ever be good enough to get into heaven. That's why Jesus took our punishment for our sin when He died on the cross! It's only because of Jesus that we can be a Christian and go to heaven – it's a gift that we receive from God... and He doesn't take it back every time we mess up.*

Jennifer: *Nancy, I don't think you're the only one who doesn't understand all of this. Cause I hear at church all the time kids praying that prayer again and again every week – but I know they are saved.*

Nancy: *Yeah, but they don't need to, right?*

Tyler: *That's right!*

Nancy: *Cause once you pray and ask Jesus to come into your heart, He doesn't leave you!*

Ryan: EBOT bring up 1<sup>st</sup> John 5:13 & 14

### **PP Scripture search activated**

#### **Scripture found**

(Ryan Reads)

**1<sup>st</sup> John 5:13-14 I write this letter to you who believe in the Son of God. I write so that you will know that you have eternal life now. We can come to God with no doubts.**

Ryan: This letter is the Bible. God has given us the Bible as His promise to us about heaven and eternal life.

Kate: So those who make Jesus Lord of their life don't have to doubt about whether they're going to heaven or not. I'm going to e-mail Tyler these verses

(Kate types in keyboard)

Kate: mission accomplished!!

### **PP: EBOT SHUTS DOWN**

Kate: Ryan!!! What happened?

Ryan: I don't know. We must have had a power surge or something. Stay here while I go down to Sub Level 4 and check the fuse box.

Kate: Well, hurry up! I don't like to be alone

(Ryan Exits)

Kate: I wonder what would happen if I turn the Power Switch On And Off again. (Turns Switch on and off)  
Why isn't this working?

(Professor Seaquest Enters- walks up to keyboard and pushes button-EBOT comes back Up)

PP# All systems clear

Kate: Oh great, Ryan you got it working..... Professor Seaquest!!!!

Professor: (with accent) Who did you expect?

Kate: I thought you were Ryan

Professor: You look like you've seen a ghost Kate!!

Kate: I... I... just didn't expect to see you here

Professor: Well, Kate, in case you forgot, I did build this place

Kate: I just thought..

Professor: Thought what Kate?

Kate: I ... I don't know what I was thinking

(Ryan enters)

Ryan: Professor Seaquest!!

Professor: Hello, Ryan, It's good to see you!

Ryan: Well it's great to see you too!

Professor: Well, I'm glad you're happy to see me. I think Kate is in some type of shock. Has she eaten anything lately?

Ryan: Yeah, we ate right before we got here.

Professor: Well a cat must have got her tongue or something

Ryan: Yeah-or something!!! Hey, Professor, why do some people think that they have to earn there way into heaven?

Professor: Well you see Ryan those people really don't have a good understanding of what the Bible teaches. Many people believe in what I call the scale system.

Kate: The scale system?

Professor: Oh, are you feeling better Kate?

Kate: Yes

Professor: You see people think that when they die that God will have this big scale. On one end will be all the good things they ever done. (Puts good weight on scale) and on the other end will be all the sins they ever done. (Puts sin weight on scale) And if the good things outweigh the sins then they're OK- but if the sin outweighs the good then they think that they're in trouble. But there's one huge problem with the scale system

Kate: what's that?

Professor: It's not true!! Jesus is the only way to heaven. After we accept and believe in Jesus were going to heaven. We then do good things out of our love for Him, not to get to Heaven.

Ryan: Well I'm sure glad it's Jesus who gets me into heaven and not the good things I do.

Kate: Me too!!!

Professor: EBOT bring up Hebrews 13:6

### **PP Scripture search activated**

#### **Scripture found**

(Professor reads)

**Hebrews 13:6 God has said, "I will never leave you; I will never forget you."**

Professor: When we sin God doesn't just leave us or forget us. All we have to do is turn from our sin and turn to God and ask GOD to forgive us.

Kate: Professor I'm glad you're here.

Professor: Well thank you Kate, but I'm sorry to say that I must be going. There's a whole world out there that needs to know the Good News of Jesus Christ. But you guys keep up the good work of making disciples and I'll pop in when I can.

Kate: Professor, we wish you could stop by more often.

Professor: Don't worry Kate you can always keep in touch with me through the Planet Cam's satellite system.

Kate: Oh yeah!

Professor: Take care then, By Bye now

(Professor Exit)

Ryan: So Kate you were saying something about never seeing Professor Seaquest in person and the coordinates of the Planet Cam.

Kate: Oh look at the time we got to go!!

Ryan: Kate

Kate: Ryan, I'm sorry that I doubted

Ryan: That's OK Kate, but just remember to read and know God's Word so that you never have any doubts about heaven

Kate: Thanks Ryan

Ryan: Your welcome, come on, we really do have to go

Kate: I just said that. Did you doubt me?

Ryan: Oh Boy!!!

(They exit)
